A Field of Red - \$14.99

Author: Greg Enslen

Ex-cop Frank Harper doesn't want to get involved.

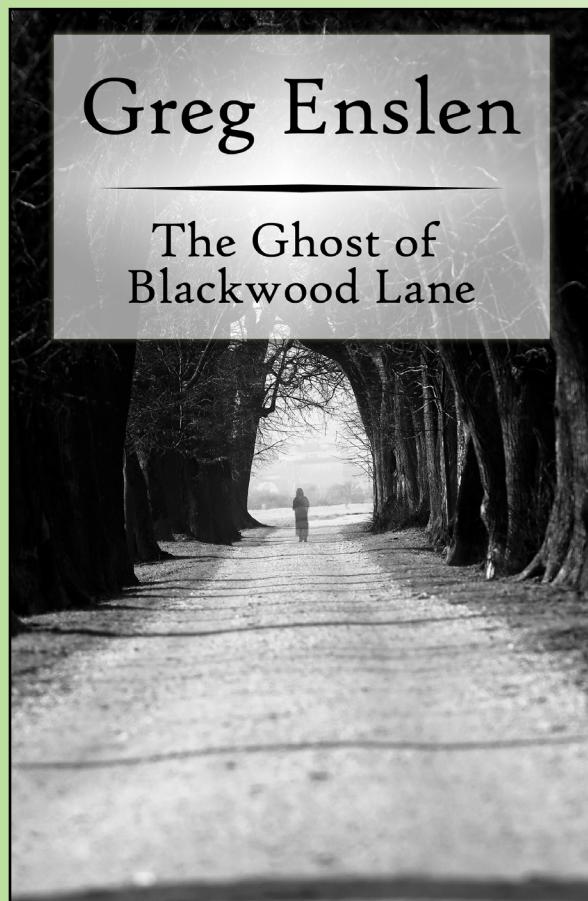

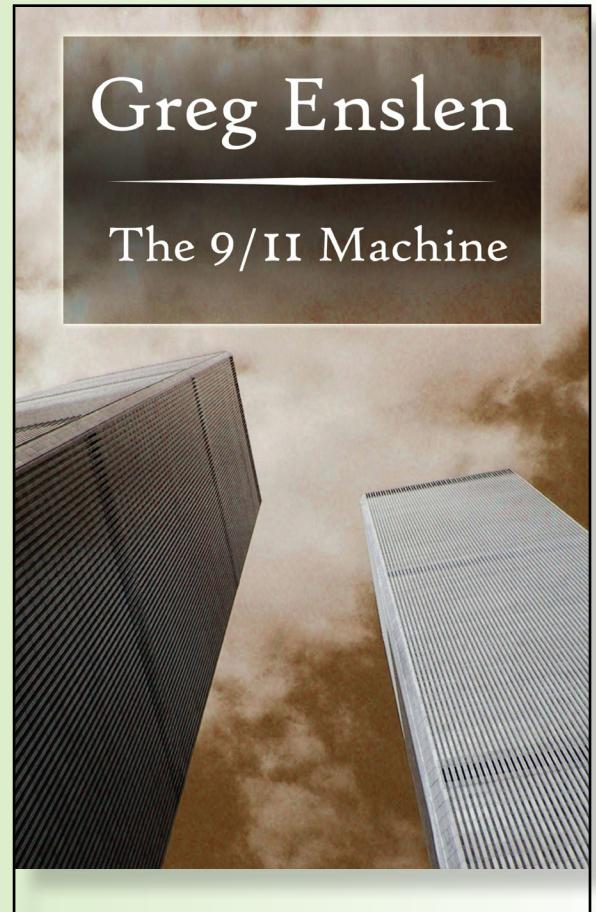

Harper is visiting the small Ohio town of Cooper's Mill, trying to reconnect with his estranged daughter and a grandson he's never met. But he finds the town gripped in fear—two young girls have gone missing, taken in broad daylight from a busy street. And the police are coming up blank. But once Harper is drawn reluctantly into the investigation, he'll stop at nothing to find the girls. And he doesn't care who gets in the way.

The 9/11 Machine - \$14.99

Author: Greg Enslen

Dr. Donald Ellis lost everything on 9/11.

He lost his wife and daughter in the south tower of the World Trade Center. But while others grieved, or plotted revenge, Dr. Ellis threw himself into a long-dormant research project. He traded his lab at the University of New York for an ugly riverfront warehouse in Brooklyn. What is he working on? And why does he spend every free moment at the warehouse standing by the river, staring across the water at Ground Zero? Because Dr. Ellis has a plan: he's going to make 9/11 "unhappen."

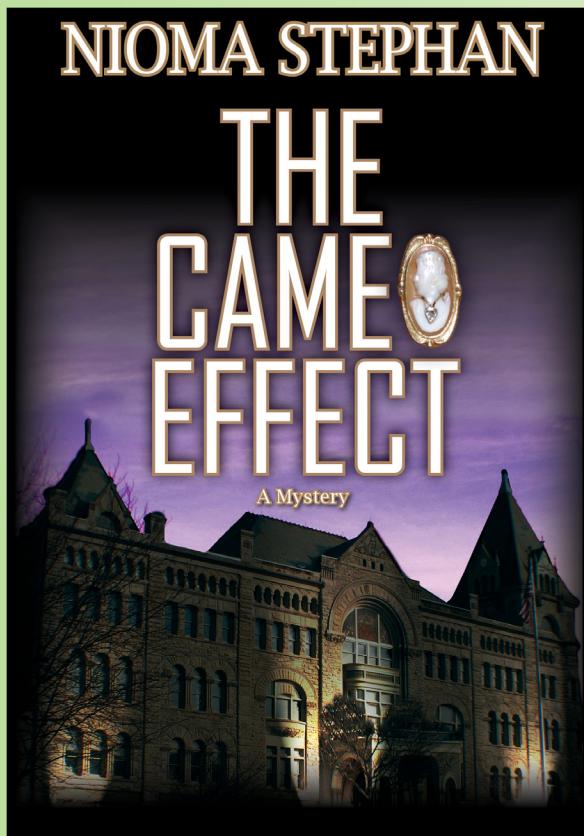

Ghost of Blackwood Lane - \$14.99

Author: Greg Enslen

For years, the witness protection program has kept Gary Foreman safe from the horrors he left behind. He's got a new career and new friends, but they can never know his real name or where he comes from.

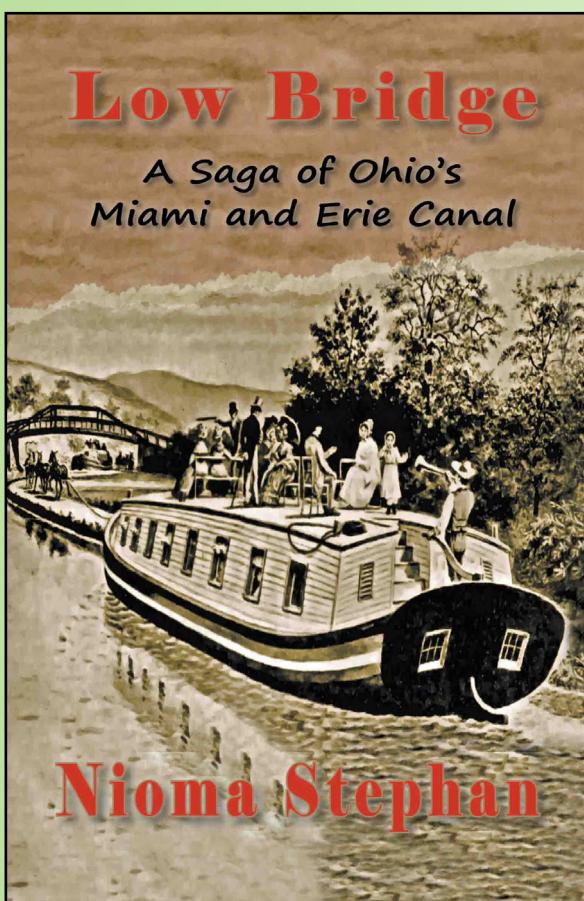

But the program can't protect him from the relentless dreams of a young woman in danger. It's the same dream, night after night, and Gary is helpless, unable to stop the dream's inevitable and horrifying conclusion. The woman seems strangely familiar...is she someone from his dark past? Is she even real? All he knows for certain is that she needs his help, or she will die.

The Cameo Effect - \$12.99

Author: Nioma Stephan

When her Aunt Jena is shot in the leg, Becky Whatt thinks it's just a freak occurrence. What else could it be in the sleepy little town of Blair, Ohio? Then come the prank calls. Then the break-in attempts. By the time they find a body in the restaurant at the old hotel, Becky and Jena feel like they might be in over their heads. But with the local police seemingly unable to help, the ladies must take matters into their own hands if they are to bring order back into their lives.

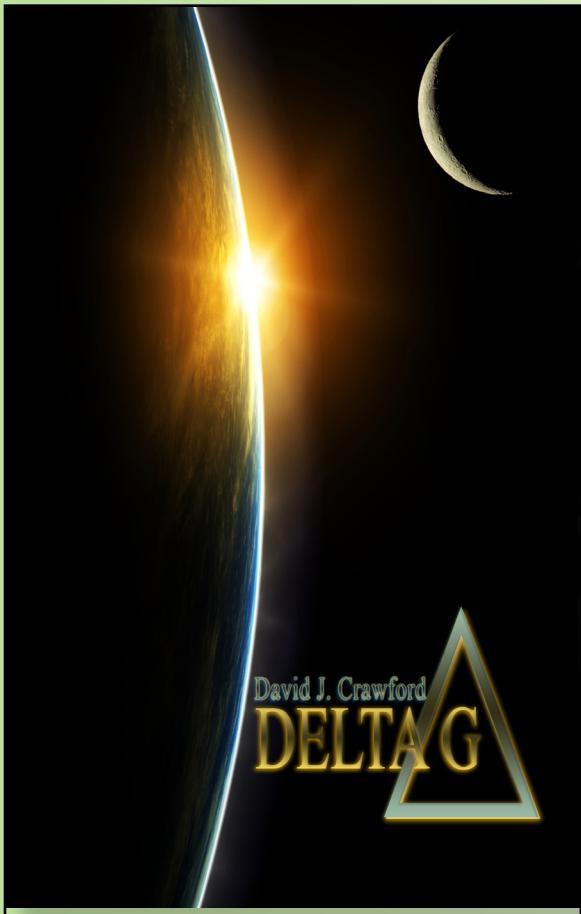

Low Bridge- \$12.99

Author: Nioma Stephan

Orphaned at the age of four, Adam Miller comes to live on his aunt's and uncle's farm in the wilderness of western Ohio in 1825. The area though is limited in trade and his uncle must accept the price he could get from local buyers for his farm products. As Adam gets older he realizes there are higher prices to be found; if only they could transport their grain to other markets located further away. Rumors of a new canal which can get farm produce to more lucrative markets faster and less expensively, spread to Adam's family farm. He sets out to learn more about the canal being dug between Lake Erie and the Ohio River.

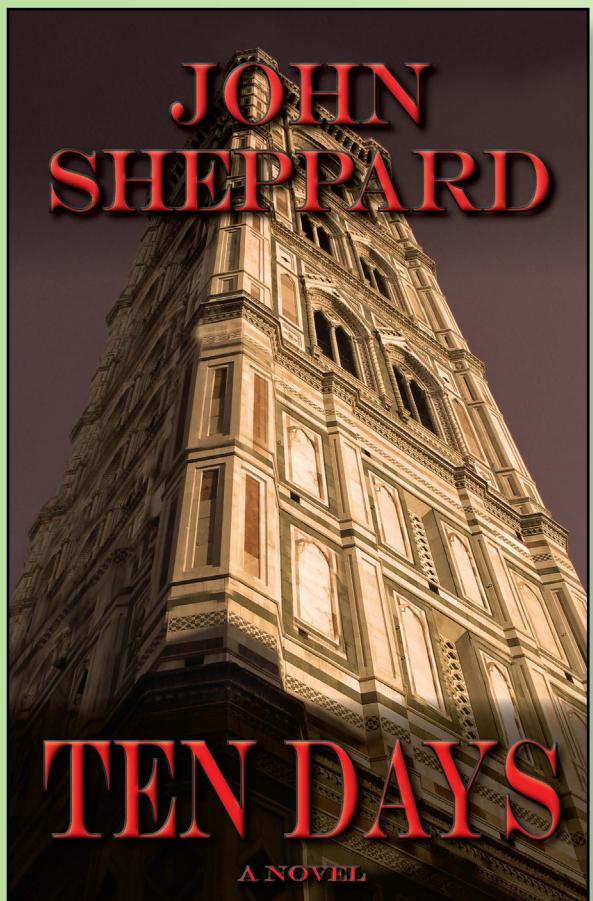

As Adam discovers his true identity, adopts a new career, and meets the love of his life along the Miami-Erie Canal, we see the wilderness of western Ohio develop into robust cities through faster transportation, increased trade, and successful business ventures.

Delta G- \$15.99

Author: David Crawford

As an investigation by the Air Force to discover the cause of orbital shifts and targeting errors occurring with ICBM warheads, satellites, and space shuttles unfolds, the amazing secrets of the universe are discovered. The search for these answers takes Major Dave Sheridan on a twenty-five year quest from the top of the world, to remote deserts, tropical waters, and onto Wright-Patterson Air Force Base. What he finds involves gravitational and bizarre torsional waves that shape the very fabric of time and space. Follow Major Dave Sheridan and Delta G program as they discover and harness these forces.

Ten Days - \$12.99

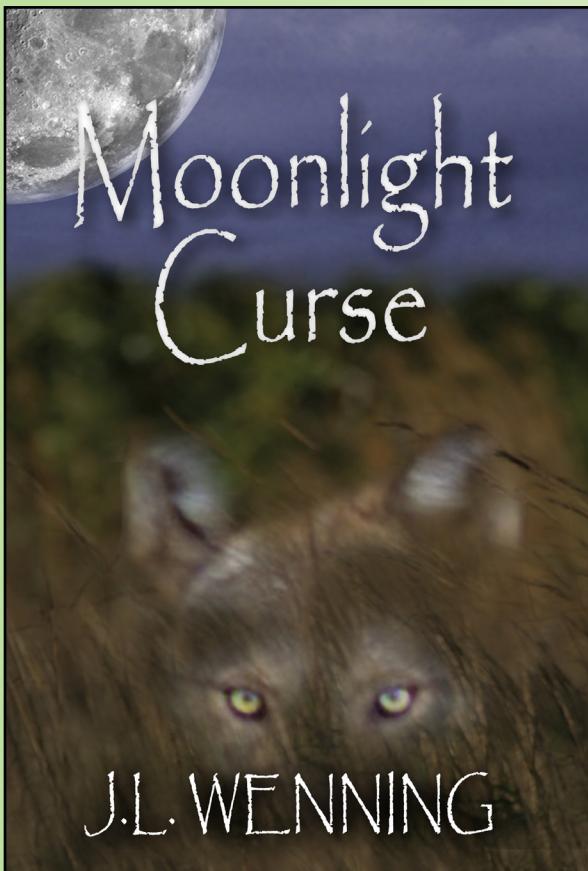

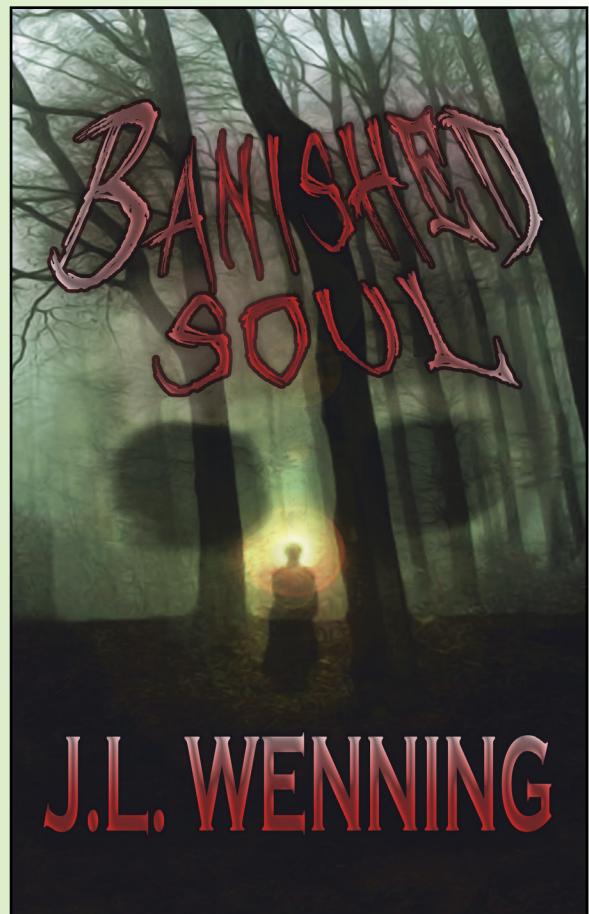

Author: John Sheppard

It's easier to pretend there will always be a day after tomorrow than deal with the reality that there may not even be a tomorrow. Dr. Carl Whitman, his wife Jackie, and their children tried to leave their nation's capital a couple of months ago, but a poorly timed escape has them trapped. Stephen Newhouse is a retired military veteran with a passion for his country and a risky plan which could save some, but not all, from the certain slaughter to come. An archivist with the National Museum, Samantha Carrollton-Logan is on a quest to save some of her country's history, but discovers a surprising past and mysterious happenings in the former national cathedral. What will Carl, Jackie, Stephen, and Samantha hold on to, and what will be lost as the clock ticks away on the final 10 Days of the world they have known?

Banished Soul- \$12.99

Author: J.L. Wenning

Acts of violence tore Charlie's family away from him when he was ten. At age sixteen, Charlie's life seems to come together again when he finds a father figure in a man named Sam, but on his eighteenth birthday his world is turned upside down again. In a bizarre ceremony hosted by Sam and a mysterious flock, Charlie is wedded to Charlotte, a girl he just met. As the two start their new life together, a freak accident takes Charlotte away from Charlie and frames him as the culprit for a crime he didn't commit. As punishment, the flock's leader gives Charlie the task of watching over the Passage, a portal where evil crosses back into the land of the living. Trapped and alone, Charlie will risk everything to escape the flock's clutches. He finds help along the way...but will they be able to help Charlie save his own soul?
