A teenager from Napoleon recently wrote a book titled *Checkers*, which revolves around this topic. Gypsy Publications and author Olivia Behm invites the community to attend the release event on August 25th from 7:00 pm to 8:00 pm. She will personally sign the books and read it at 7:30. The event will take place at The Armory of Napoleon on 127 E Clinton St. For more information visit [www.gypsypublications.com](http://www.gypsypublications.com).

## *Olivia Behm's Children's Book: Checkers*

*Olivia Behm is a high school junior. She has been writing and telling stories since she was a young girl, and has always wanted to be an author. She was inspired to write this story for a Power of the Pen competition. Olivia lives with her parents, Ron and Krista Behm, in Napoleon, Ohio.*

*Joan and her best friend Alexis always look forward to going outside for recess, but rain keeps them inside for the day. The girls just want to play checkers by themselves...but checkers happens to be Suz's favorite game as well. Suz is the biggest, meanest girl in the school, and she never loses. When she spots Joan and Alexis setting up the board for a game, it's sure to be a disaster. Can everyone learn to play nice together?*
